Webinar: Returning to Switzerland for education or training

Following the highly successful webinars held in 2023, the Consular Directorate of the FDFA, the Organisation of the Swiss Abroad (OSA), SwissCommunity and Soliswiss once again invite you to take part in three joint webinars on 11 June, 15 October and 10 December 2024. This year, the focus will be on questions related to returning to Switzerland.

The first webinar on “Education in Switzerland” will take place on June 11, 2024. The webinar will be held in German at 12:00 Swiss time and in French at 14:00 Swiss time and will last 90 minutes. Participation is free of charge.

Every year, a large number of Swiss Abroad return to Switzerland, including young people and those who are young at heart who wish to pursue an education in Switzerland. The webinar will provide an overview of the various issues that need to be taken into account by Swiss nationals who are considering returning to Switzerland to study.

Topics

What is the education system in Switzerland like; what educational options are available at universities, universities of applied sciences and in vocational training; how does enrollment work; how do I find an apprenticeship; what are living and study costs like in Switzerland; how can I find accommodation; what scholarship opportunities are available; what do I need to do when I arrive in Switzerland; what do I need to know about health insurance and other social insurance; what else do I need to consider, and finally, who can I turn to if I have questions about returning to Switzerland for education or training?

Speakers

Experts from the Consular Directorate of the FDFA, the OSA, Soliswiss and educationsuisse will provide insights and answer your questions.

The webinar will be recorded and will be available to watch on the FDFA, OSA and Soliswiss websites after 11 June 2024. If you have any questions about the webinar, please send an email to webinar@eda.admin.ch.

We look forward to your participation.
